PECK

From: MARGIE CAMPBELL (FPKF57A)
Subject: ADVISORY - NEW TOOLS
Sent on: 05/14 at 02:06 PM

I checked at Recorder's office, no GGPeck in 1900-05.

Here are Pecks for San Joaquin Co, as listed in the book I checked (will get name & source info for book next time out):

Cath. Cem:
Mary Peck 5 Jul 1906 b PA 25 yrs
Tracy Rural:
Henry M Peck 26 Aug 1910 b 1829
Eunice(w 1 of H)21 Oct 1872 b 1832
Sarah J (w 2 of H)20 Jun 1899 b 1835
Neveda E 9 Aug 1958 (108yrs?) b 1856 (let me recheck date on the above)
Alneda L 23 Jun 1883 b 1860
Wm S 20 Feb 1901 b 1864
The above three are children of H & E Peck.
James A Peck (bro & uncle) 12 Mar 1899 b 1831.

Did you write to the Stockton Record? They may have a way to scan for the names of obits, but don't really know.

The Peck Plot at the rural cemetery is covered in periwinkle..I found one stone that was large, but had fallen & I tried to uncover it, but wasn't dressed for gardening...couldn't make out name on it.

I will be going to clean my gparent's plots just after next week & will take my gloves and all with... see if maybe the book missed something. The Peck plot is not an endowed space, so only gets cleaned when there is time. I will let you know what I find.

Oh, as I was entering the cemetery, there was a stone for a George Gordon Belt & family in same block as your Pecks...the son died in 1893, was born 26 Jan 1862. Was wondering if you had any Belts in your line?

There is a listing for "Groups" in the 1900 Stockton Paper... so far haven't seen the name Peck. What groups was GG in? Have you contacted our local branches? This paper also lists court proceedings (as we are county seat), property sales & probates on a daily basis. Will let you know what I find. Could GG have been taken back to Chicago for burial? (just a thought).

I have had the same luck in Sweden... I sent four coupons, and asked them to let me know if I need send more... my letter was forwarded to six places, then I received a letter saying they could find no record of Oskar Wenstrom's birth, exit to America, etc... then about six months later, I got a
hand written note with no return address... giving the family info on a Wenstrom family with an Oskar in it! Not sure if it's right family, as names of sibs don't jive..but I had stated in my letter that much of my info didn't
jive, and that my gpa was very secretive on his family...O.K. now, as for GGPeck... not much luck I'm afraid. Went to cemetery... only three listed anywhere near 1900 (rest start at 1931-present): Fred Peck d. 1914, wife Charolette 1931, Albert or Elbert W 1916. Fred was 75 yrs & Albert was
40 yrs. The book I got the ages from didn't have Charolette, as it only went to 1920. I checked at Recorder's office, no GGPeck in 1900-05. Here are Pecks for San Joaquin Co, as listed in the book I checked (will get name & source info for book next time out):

It will be a week or two before I get back to the library to check the newspaper films. Did you write to the Stockton Record? The Twenty-Third Psalm

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for Thou art with me;
thy rod and thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil;
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life:
and I will dwell in the house of the Lord forever.

In Loving Memory

John Cassin

LIVED: 1847-1932
LEGACY: First pastor of St. Rose Church, an intellectual who earned respect for Catholics from the Protestant establishment.

It was after a stint serving the mining camps of the Gold Country that Father John Cassin came to Santa Rosa in 1890 and helped build the early Catholic Church in Sonoma County.

Known for his sense of humor and his skill in the pulpit, Cassin was also the guiding hand behind the construction in 1900 of the landmark St. Rose Catholic Church on B Street, and served as its first pastor.

Most important, Cassin is credited with making the connections to establish the growing Catholic congregation as an important social and cultural influence in the largely Protestant community.

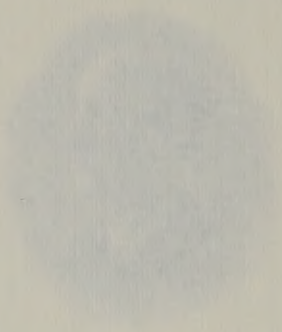
"Cassin was a great speaker and in great demand," said John Crevelli, a retired professor of history from Santa Rosa Junior College.

"He won the respect of many, including Ernest Finley, editor of The Press Democrat and arguably one of the most powerful men in Northern California."

The Catholic congregation in Santa Rosa was a small one before 1870, served by a monthly visit from priests from Tomales.

The parish of St. Rose was established in 1876, but it wasn't until the steady flow of Italian immigrants began to arrive in Sonoma County in the 1890s that the need for a more formal church became clear.

Cassin served St. Rose parish for 42 years. The church, a striking English Gothic structure complete with towers and steeple, was built with basalt blocks that were cut from quarries near what is now Annadel State Park.



It was Cassin who insisted that the new church be built especially strong and saw to it that the walls were reinforced with steel cables. It was a good thing, too. Just six years later, when much of downtown Santa Rosa was destroyed in a major earthquake, St. Rose still towered over the rubble.

Dear Flo and Warren:

First of all I want to thank you for Loren and I for donating to the "Parsonage Fund" memorial for Will. It was so nice of you both and your Dear Mom.

Will was feeling fine- in fact on Sunday, Sept.19th he had a big dinner of rump roast and all the other fixings that I usually make. He also had his breakfast on Monday the 20th and lunch. I was on a part-time secretary assignment and Loren had me paged to call home. When I phoned him back at 4:30 he had checked Will and the doggies at noon and said his father was o.k. but said he had lost his balance and fell (lucky) across his bed. Loren then helped him to the washroom in his room and he went back to bed but he noticed his breathing. When I rushed home from Wilshire district, through the terrible traffic andthrough Griffith Park I made this in 20 minutes (excuse errors)(d. typewriter) which usually took at least 1/2 hour at least. When I got home Will recognized me and said Hi- he seemed glad I was home when I told him I would change my dress and take care of him. I looke and listened and felt his pulse. I called the doctor and this was 5 o'clock the 20th, I told him he needed the hospital so we took him in an ambulanc and was already in a coma. He never came out of it in the emergency room and was admitted into a room. He passed away that same night at 10:30. The reason I didn't send your Mom a telegram was to not scare the poor thing. Will would have been 91 Oct. 8th. He was with us 19½ years. Long time-right? I don't have any ill feelings about my taking care of him- at times it was hard but then we are thankful he didn't suffer long.

We have looked at smaller houses and couldn't find anything to suit our taste- we are spoiled with the good homes we've had. Now we are going to move to an apartment in South Glendale after Jan. 1st, about the 5th. This apartment has 2 bedrooms and 2 baths and the manager is a doll of a woman. A doctor owns two buildings and he said to me it is called poodle

haven. He really wanted us to rent the place. So last week Wednesday I phoned the woman and tomorrow I get the key. I have an enclosed garage and there is a pool and recreation room. There are 36 apartments in the building. 2 sets of 12 are in one section and on the corner is another 12.

New Address: 1255 South Orange Apt. 208
Glendale, Calif.

Hope you kids have a nice Christmas and a very nice year ahead. Please come see us. If you have a vacation- you can come help pack and throw away some of the crap I have. What a mess to get rid of. No I was only kidding about helping me- you know me better than to ask anyone to help me. Right away when I told Dee Dee we were moving to an apartment in Glendale she wanted to know if they accepted kids- GOD FORBID that's all I would need to have them so close to me. They are o.k. but forget the living on top of me, I had enough.

Write, please and give me some of your news.

Much love to both of you,

excuse the mistakes this lousy typewriter is Tommy Ivo's and skips and doesn't hit the keys every so often. I just ordered an electric one so hope the next letter will not have too many- then I'll have an excuse that it is new and have to get use to me.

"Dashing through the snow..."

that holiday tradition started in the old days...

Dear Florence & Warren

Hope you had a good year. We've had snow on the ground since Thanksgiving. I think I'll shoot the first one who wants a White X-mas. This has been our year. On May 19 Byron had a Prostate operation & while still in the hospital May 23rd he had a heart attack after tests on May 24 Byron had a 3 Way Heart By Pass Operation. He's doing great he can shovel the snow and keep the cars running so I'll keep him for as long as I can.

... before indoor plumbing.

Merry Christmas! and a Happy New Year

Love Lila & Byron

THE WORLD BOOK OF CASSINS

Dear Byron,

I have exciting news for you and fellow Cassins! As you may already know, extensive work has been done throughout the world on a project relating to your Cassin family name. Now our new book, "THE WORLD BOOK OF CASSINS," is about to be published and it includes individual Cassins who immigrated to the New World between the 16th and early 20th centuries.

The first Cassin we found came to New York State in 1795. His name was Richard. Like thousands of others, he sought a better life for himself in this land of opportunity.

Richard, or any of the other Cassins who are documented in this new book, may be the sole reason you live here today. This hard-to-find Cassin immigration information was obtained from reference books indexing ships' passenger lists, genealogical registers and other official records. In addition to information about Richard and these other early Cassin settlers, you'll also be provided with an international directory of virtually every Cassin household (with address). You, Byron Cassin, are listed in this section of the book.

This has been an enormous project! There are now over 873 households bearing the Cassin name worldwide. Using a sophisticated computer network, more than 170 million records were searched in the United States, Canada, Australia, New Zealand, England, Scotland, Wales, Northern Ireland, Ireland, the Netherlands, France, Germany, Austria, Switzerland, Italy, Spain and South Africa to provide you with this never-before-published Cassin International Directory. It has been our goal to locate as many Cassins as possible.

This unique publication also covers how family names originated and what the distinguished Cassin name means, the development of family crests with ancient symbols, as well as an artist's drawing of an early Cassin Coat of Arms dating back centuries that is translated into everyday language. You'll even find exciting details about how you can trace your family heritage back to the Cassin homeland and learn even more about your family's origin.

To my knowledge, this remarkable collection of valuable information is available only in "THE WORLD BOOK OF CASSINS." Each Cassin Directory is virtually handmade to order, and is illustrated in full color. Please note, however, that this Heirloom Edition is expected to be the only printing of the Cassin book, ever.

You risk nothing. You can reserve your copy(s) for a deposit of just $5.00 per book. Your satisfaction is guaranteed. But you must order now! The number of copies printed will be determined by the number of print orders we receive by June 30, 1995.

P.S. Remember, you risk nothing. You send just $5.00 now. Please see your CASSIN RESERVATION FORM for details.

Sincerely,

William Forman

What a surprise. Thank you so much. Reading over & print a few things. I have 2 nd Cousins on the Rentrop & Collette side working on my grand parents. Also Byron's cousin Harvey is working on the Brown side. Now I have the Cassin side we're just about finished - unless your mother's cousin Byron shows up with "one" I don't know about. Lordy Carol let's not get into the Collette - Letourneau bunch. Ha! did they try to populate Kansas. Oh I forgot to T.U. Thank you
Could we send you a little to help pay for some of your expenses even postage + paper?

Dear Florence & Warren Jan 27, 1989

Surprise! Surpise! I've been trying to get this letter off for even months - In fact I don't think I even sent to many X mas Cards. We sure don't want another 6 months like the last six months. Wini & Les came out the last of April. I told Wini ona about Byron (not feeling to good & acting out of character). I tried to get him to the Dr for a check up - he said No Way until he had to have a check up for a re-issue of his medication. They found he had High Blood Sugar - diabetes after many tests. He keeps it under control by diet one diabeta pill a day - Thank God no shoots - but he does have to test his blood twice a day. He even has a little computer Machine to do that. Wini & Les asked us to come for a visit the end of August. Everything was nearly set with

tickets - we flew, money & packed - we planed to go to Denver Aug 24 and stay with Linda overnite cause we had a 8:00 AM flight out on the 25th.

My Dad had been staying at Windchime Court - room + care home but the night of Aug 23, he really upset everyone there (apparently mad because we were leaving the 25th for a week. They called us the 24th of Aug early in the morning & tell us we had to move Dad. Hurry Hurry - to get him a Nursing Home pack & move & sign him into Columbine Care so we could get to Denver at a decent time. We stayed one week but it's a long way. After I had a physical, first & Ct. + X Rays + etc they found cancer in my left breast. I had my left breast removed Nov 4th which wasn't to bad but then I got walking pneumonia

I had to sit up to sleep. After so many pills I got better. Then on Dec. 12th my Dad died. After my return from a dr appointment the nursing home called me. Running around trying to make plans for the funeral I got another batch of pneumonia. We had to take Dad back to Salina, Ks to be buried next to my Mom. The docs said no way could I go - so Linda in Denver & her boy Tarek rented a car - cause her car was not reliable to get her there and back. Byron was going but decided to stay with me. What makes me mad Dad wanted to see my brother Hank before he died. But he is so wimp - his wife makes all the decisions - he has retired so had nothing to keep him home except his dumb wife. He has a son & daughter living near her. He could of come to at

least see Dad - when Dad
asked to see him. Ou never
volunteered to take care of
him at that end - it might
cost him?? They live in Texas
maybe that's their problem.
Enough of this - I haven't
felt so good since my
operation - stomach nerves
or something But I'm
working on it & hope to
get better. Boyd is well -
has energy but Londy he
has lost so much weight
I call him "Old Wrinkled
Butt." no wonder his old
WW2 Sarge at when he saw
us at the Rainbow Inn Reunion
"Cassie I would of known you
anywhere - you haven't changed
a bit." I wonder what that would
do to our egos?? Take care
keep healthy & we send you
Love Lola & Boyd

God saw he was getting tired
and a cure was not to be.
So, He put His arms around him and
whispered "come with me."
With tearful eyes we watched him suffer
and saw him fade away.
Although we couldn't bear to lose him
we could not bid his stay.
A golden heart stopped beating,
hard working hands laid to rest.
God broke our hearts to prove to us,
He takes only the best.

I Knew Cassin very well we always used to call him Frank; I do not know whether that was his name or not. He was killed the latter part of July or early in August, near Albert on the Somme River. We were attached to the 5th Austrilian Div. at that time. I remember about 9 o'clock in the morning of the day he was killed, we drove up past the place where they were working on barbed wire, close to ~~kkmmkxeff~~ the road When we went by, he yelled out' Look out there, Fritz will knock your block off. and when we came back that way, he had been kil led and his body taken away. They said that a big shell had torn out his whole right side, killing him instantly. He was buried either in Albert or a town called Querris in a cemetery, I understand, although I never saw his grave . He lived in Chicago and ~~mused~~ used to be a policeman in civil life. The Quartermaster General, U. S. Army, (Cemeterial Division)

Mrs. Elizabeth Cassin, 1648 N. Central Park Ave., Chicago, Ill.

Information concerning return of body.

1. In reply to your letter of July 3rd 1920, you are advised that the American Military Cemetery Vaux-sur-Somme, Department of the Somme, where the body of your son is buried lies within the "Zone of the Armies". Operations for the removal of our soldier dead from this zone will not begin until September 15th, 1920. It will be realized that a reasonable length of time must necessarily elapse before the return of the body can be expected. However, you will be notified by telegram when the body leaves a French port and again on its arrival at Hoboken, N.J., so that the necessary detailed plans may be made for final burial.

2. The photographic section of the American Red Cross, attached to this office, will be instructed to furnish you with a photograph of the grave.

I am not sure how that fits in. I know that according to Ira Peck's book Dr. George Peck, who was the founder of Clinton, Iowa, had four sons. They were Franklin K., John R., Loring D., and George.

John R. Peck married Nancy Bacon and moved to California, settling in Healdsburg, CA. He had no offspring, but adopted a son, Thomas Morris Peck. John, Nancy, and Morris all died and are buried in Healdsburg.

George Wesley Peck was my ancestor. He was born in New York (around Syracuse) and came to Clinton County, IA with his parents. He married Sara Addelaide Maynes in Clinton County in 1848 and came to California with his brother John in 1850. He had four children that I know of, Loring, John Rylander, Charles J., and Julia. Loring lived most of his life around Healdsburg, but in later life lived with a daughter in Meridian, CA, which is where he is buried. John, my ancestor, lived in Gilroy, CA and is buried there. I have not been able to locate Charles and Julia yet. George Wesley Peck died in Los Angeles (at the time the place he died was called Soldiers Home.)

That leaves Franklin K. and Loring D. Ira Peck gives us no information about offspring of Loring D. He does tell us he died in 1848 at the age of 27.

According to Ira Peck, Franklin Peck did have a son named George (no middle name is given), who was born April 29, 1858. He was just a youngster when the book was published, so there was no other information given at the time. He would have been about 21 in 1879, so he would be marrying age. Apparently Franklin K. Peck was a wealthy farmer in Clinton County and was living there when Ira Peck was putting together his history, so his son George was most likely born there.

So there you are, probably more than you wanted to know. The short answer would have been I don't know, but relating all this helps me to keep it straight, so pardon my rambling. If there is anything else I can help you with let me know.

Keep in touch and happy hunting.
Chuck

matter about the picnic and the following two clippings will serve as a sample of what is appearing in different papers every day:

Sterling Standard: The regular meeting of the Royal Neighbors was held Tuesday evening. The attendance was large and a fine session was enjoyed. Two candidates were initiated. The Royal Neighbors decided to attend the picnic at Clinton on the 16th in a body, and the drill team decided to enter the contest for the prizes, $25 in money and a solid silver water set. It is hoped that they will be better treated in Clinton than they were in Rock Island. Mrs. W. L. Reiger, the captain of the team, presented the lodge with $35, which was won by the team at the Rock Island picnic. After the meeting the lodge adjourned to a restaurant for ice cream soda water.

Sabula Gazette: At a meeting of Kennedy camp, No. 122, M. W. A., on Monday evening, it was decided to attend the big Woodman picnic at Clinton in a body. A good per cent of the members of the camp have expressed their notion of going.

Members of lodges and societies who are contesting for the piano will please furnish the address with the names they turn in.

WILCOX IS COMING

Mendota Carpenter to Deliver Address Woodmen Day.

Dr. Grant Johnson of Stanwood, Will Also Speak—Joint Committees Hold Enthusiastic Meeting Wednesday Night—Parade Will be a Monster.

Another meeting of the general committees on arrangements for the Modern Woodmen picnic, to be held here August 16, was held at the Windsor hotel parlors and was well attended. Each committee made a report, which indicated that a large amount of work is being done.

The program committee reported that it had secured the services of W. P. Wilcox, the Mendota Carpenter, and Dr. Grant Johnson of Stanwood, as speakers for the occasion. Neither of the two men need any introduction to the people of this city, where they often have been heard. Mr. Wilcox is one of the most eloquent lecturers on the platform and is in constant demand. In fact, for the past few years he has devoted his entire time to lecturing and has a reputation known from one end of the country to the other. His Woodmen speeches are among the best that he delivers and the committee was fortunate in securing his services. He will arrive here on the Burlington train on the evening of the 15th. Dr. Johnson is also an excellent speaker, and with two such men on the program there will be no question as to the ability of the speakers engaged.

According to reports made at the meeting, the parade will be the most magnificent ever seen in this city. The merchants and manufacturers are going to be in line with floats, some of which will require two wagons, pulled by four horses. There is not a business man in Clinton who should neglect having a float in the parade. If rightly gotten up, a float

the river, near where the government work has been going on. The river between Fourth and Sixth avenues is rather dangerous at this stage of water. Its depth at the very edge of the water is six feet and over in some places, and the current has been diverted to this side, and is very swift. Saturday the captain was standing at the river front talking with a friend, when someone near by called out that someone was drowning out in the river. The captain, who is a strong swimmer, looked just in time to see a pale face disappear beneath the water. He plunged in and succedded in reaching the drowning lad, and in carrying him safely ashore, where the boy quickly recovered. He told the group of onlookers that had collected that his name was Inman, and walked away, a little dazed from his narrow escape, but thoroughly grateful.

River Captains at War.

The agonized tooting of a steamboat whistle about midnight Friday attracted a considerable crowd to the Rock Island levee, everyone imagining that some vessel was in danger. When the people reached the landing at the foot of Nineteenth street, that city, they discovered that the noice proceeded from the City of Winona, which was in mid-stream, headed for the Acme Packet company's landing which she had taken out early in the evening. The uproar was due to the fact that the steamer F. Weyerhauser had pre-empted the landing and the Winona was frantically signalling her captain to take his boat away from a place regarded as reserved for the Acme company's vessels. But the Weyerhauser calmly ignored the signals, and when the Winona steered for the landing the spectators expected to see a repetition, on a small scale, of the battle of Manila bay. But they were disappointed. When the two vessels were within hailing distance, a war of words ensued between the two commanders. But the Weyerhauser's captain stood by his guns, or rather stuck to his landing, and the Winona had to do the next best thing—land alongside the Weyerhauser and discharge her passengers across the decks of the interloper.

Seaside Athletic Club Secures the Event.

Representatives Make Final Arrangements for the Coming Contest—Jeffries Will Meet the Winner—Corbett Has a New Fad in Training.

Thomas Sharkey and Robert Fitzsimmons Tuesday signed articles to meet in a twenty-five round bout before the Seaside Athletic club at Coney Island on Aug. 24, for a purse of $25,000. Fitz agreed to meet Sharkey several weeks ago and Tuesday was the date arranged to open bids for the contest. The Seaside Sporting club and the Twentieth Century Athletic club, whose arena is located in Madison Square Garden, were the only bidders for the mill. Several times the bids were raised by each club, but "Alex" Brown finally secured the bout by offering the fighters a purse of $25,000.

O'Rourke is responsible for the failure of the Twentieth Century club to get the fight. He refused to allow the fight to be pulled off in the Garden—the only place in New York where a prize fight can be handled—and as a result the battle will be fought out in that barn by the sea.

Fitz was represented in the proceedings by his backer, Percy Williams, while Tom O'Rourke acted as spokesman for the sailor. Williams and Fitzsimmons did not want the fight to go to the island. Fitzsimmons' change of attitude was surprising, as the former champion stated on Sunday that he was not going to fight at the Garden, because he believed he did not receive fair treatment by the management. Williams had a talk with Fitzsimmons and it was decided to give the Garden management another chance to bid for the contest. O'Rourke said he would not let Sharkey fight at the Garden, as he was confident that more money could be secured by the fighters at Coney Island.

The first bid was from the Twentieth Century club, which offered 55 per cent of the gross receipts. The Coney Island club bid 60 per cent and the offer was duplicated by the Madison Square Garden management. The Coney Island's representative put the figure up to 70 per cent. Finally a

The members of the Sheridan club and circle gave a trolley party to Joyce's park this afternoon, the car leaving the city at 4 o'clock. At the park, this evening, a fine supper will be served. There will be dancing at the pavilion.

Lieutenant A. P. Tarkington of the signal corps, organized recently in this city, and which camped with the Forty-ninth Iowa regiment at Cedar Rapids the past week, writes The Herald that the members of the corps will reach home this evening, and expect to be in the Woodman parade Thursday.

The wheel which was supposed to have been stolen Monday from the Northwestern depot turned up Tuesday afternoon. The wheel had been found at the depot, apparently without an owner, and was taken in charge by the flagman at Second street, who, when he found the owner, returned it to him.

Today the choir boys of St. John's Episcopal church went down to Kepler's landing, where they will camp for a few days. They were accompanied by Rev. C. W. Tyler and family of the Grace church, Lyons, and others. The members of the Brotherhood of St. Andrews arranged the details for this outing and furnished from their funds most of the money used to defray the expenses. Friday will be visitors' day at the camp and the friends of the boys are invited to visit them, taking along well-filled lunch baskets.

Both teams went to the ball park and had an exciting game of five innings, with the score 9 to 14 in favor of Calamus. The Clinton boys' conduct was of the highest order, and all we can say is that we would like to meet them again."

While the storm was raging this morning fire broke out in the Clinton Park school house. The flames were discovered by residents of the locality before they had gained much headway and an alarm was turned in, which was responded to from the Central and Fourth street stations.
